La historia de HEBO, desde su fundación hace 25 años, ha estado siempre ligada al TRIAL y sus grandes éxitos en este deporte.

Una larga lista de figuras mundiales como Toni Bou, Adam Raga, Jordi Tarrés, Doug Lampkin, y un largo etcétera, nos han conseguido decenas de títulos mundiales utilizando productos HEBO.

Ahora, con la larga experiencia, conocimiento y prestigio que nos avala, nos adentramos en una nueva aventura. Esta aventura tiene un nombre: BIKE TRIAL.

Una extensión natural del TRIAL pero cambiando la moto por la bicicleta, donde, unidos a nuestros tres campeones mundiales, Abel Mustieles, Vincent Hermance o Benito Ros, hemos desarrollado una completa e innovadora colección, de la cabeza a los pies, desde el casco hasta el calzado, pasando por el textil, guantes e incluso protecciones. Una colección que estamos seguros marcará nuevas tendencias y estándares en cuanto a innovación, materiales, soluciones técnicas y diseño dentro de éste deporte tan exigente y preciso. Bienvenidos a éste salto hacia adelante..... y disfrutar.

HEBO history, from its foundation 25 years ago, has been always linked to TRIAL and the great successes in this sport.

There is a long list of world famous riders such as Toni Bou, Adam Raga, Jordi Tarrés, Doug Lampkin, and much more, which have given us dozens of World Championships using HEBO products.

Today, thanks to our large experience, know-how and prestige, we are proud to jump into a new adventure. This adventure has a name: BIKE TRIALS.

A natural extension from TRIAL, switching from motorbike to extremely light bikes, where, working close to our three World Champions Abel Mustieles, Vincent Hermance and Benito Ros, we've been able to develop a complete and innovative collection, from head to toe, from helmets to shoes, and passing through apparel, gloves and even protections. We are convinced that this collection will be the new benchmark, by setting new trends and new standards in innovation, materials, technical features and design within this demanding & precise discipline.

Welcome to this new step forward.....and enjoy!!!!
