Semipolea mecanizada, especialmente diseñada para el Kit de Variador HEBO Racing fabricado íntegramente en aluminio sin ningún tipo de tratamiento, para obtener la máxima adherencia del conjunto correa-polea y así obtener las máximas prestaciones en competición, así como el contrapesado minimizando las vibraciones.
En la versión Minarelli se entrega con una estrella para bloquearla con el cigüeñal.
A la semipolea se le ha dado un tratamiento anodizado rojo para obtener una imagen racing-hebo.
